HOW BETTER THAN PILLS?

The question has been asked in that way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect is so gentle that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.

STORY OF WOODROW WILSON

The Kansas City Star beginning Sunday, October 30, will print a remarkable intimate story of Woodrow Wilson and his administration, one installment each day until the story is completed. This authentic history is a book written by Joseph P. Tumulty, Secretary to the former president. The book will not be published until after the series of articles in the Kansas City Star is finished.

The story is a real "behind-the-scenes" disclosure—a peep behind the scenes of diplomatic councils that have reshaped the destinies of nations. It is claimed that this story, by the one man qualified to write such a history, will stir the world and that everyone will be discussing it, not only in America but in foreign countries as well.

Along with Tumulty's book the Star will also run on Sundays, Sinclair Lewis's book "Main Street."

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surface of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.
